PROFESSIONAL SUMMARY

Assistant Professor and Full-Stack Developer with 2.5+ years of combined academic and industry experience. UGC-NET Qualified 2026. Co-Founder & CEO of Sikshasarovar, a live EdTech platform built on the MERN stack with TypeScript. Author of 5 peer-reviewed journal publications (with DOIs), with additional papers accepted (Taylor & Francis; Springer / Atlantis Press) and under review, in cybersecurity, machine learning, and HCI. Hands-on with Java, Spring Boot, React, Node.js, Express, MongoDB, PostgreSQL, REST APIs, Docker, and AWS. Contributor to NBA Criteria 6 and NAAC Criteria 1 accreditation processes.

TECHNICAL SKILLS

Languages: Java, JavaScript, TypeScript, SQL, Python (Basics), HTML5, CSS3

Frontend: React.js, Redux, Next.js, Tailwind CSS, Bootstrap, Responsive Design, SPA

Backend: Node.js, Express.js, NestJS, Spring Boot, Spring MVC, JDBC, REST APIs, Scikit-learn

Databases: MongoDB, MySQL, PostgreSQL, Oracle SQL

DevOps & Cloud: Git, GitHub, Docker, AWS, Vercel, CI/CD Basics

Cybersecurity: Intrusion Detection (IDS), ML for Security, Selenium, Puppeteer, CIC-IDS2017, XSS Prevention, Ransomware Defense

Methodologies: Agile, SDLC, OOP, MVC, Test-Driven Development, Code Reviews

Tools & IDEs: Visual Studio Code and Antigravity(Advanced), MS Office (Word, Excel, PowerPoint)

Strengths: Attention to Detail, Adaptability, Active Listening, Problem Solving, Fast Learner, Punctuality

Academic: Peer Review, Research Writing, Curriculum Development, NBA Criteria 6, NAAC Criteria 1, FDP

PROFESSIONAL EXPERIENCE

Co-Founder & CEO | Sikshasarovar | New Delhi

Jan 2026 – Present

- Co-founded and lead a live EdTech platform (sikshasarovar.com) built on MERN stack with TypeScript; deployed on a custom domain.
- Drive product strategy, technical roadmap, and stakeholder coordination across academic and technical functions.

Assistant Professor & TPO (CS) | IITM (GGSIPU) | New Delhi

Jan 2026 – Present

- Teach core/advanced CS subjects: Java, Web Development, Database Systems, Software Engineering.
- Lead Training & Placement Cell; coordinate industry partnerships and pre-placement training.
- Contribute to NBA and NAAC accreditation initiatives (Criteria 6 and Criteria 1).

Assistant Professor | Echelon Institute of Technology (EIT) | Faridabad

Jan 2025 – Dec 2025

- Delivered core CS coursework with focus on student outcomes; served as ERP & Discipline Head of DCA Department.
- Mentored students on research projects; guided multiple co-authored journal publications.

Full-Stack Developer | Q-Spiders | Gurugram

Jul 2024 – Jan 2025

- Built full-stack applications using Java, Spring Boot, React.js, Node.js, Express.js, and PostgreSQL.
- Delivered REST APIs, JDBC integrations, secure authentication flows, and CRUD modules across training projects.

Student Head – Placement Cell | MDU Campus | Rohtak

Jan 2024 – Jun 2024

- Led student-side placement coordination, recruitment drives, and industry interactions.

EDUCATION

Master of Computer Applications (MCA) | MDU Campus, Rohtak

2022 – May 2024

Bachelor of Science (Non-Medical) | Chaudhary Bansi Lal University, Bhiwani

2019 – Oct 2022

RESEARCH PUBLICATIONS

Beyond Static Decoys: A Position Paper on Reinforcement-Learning-Driven HoneyGAN Ecosystems with Blockchain-Anchored Audit Trails for Industry 5.0 Cyber Defense

IJSMT, Vol. 02, Issue 05, May 2026 | ISSN: 3108-1762 | DOI: 10.55041/ijsmv2i5.247

AI Vs. AI: GANs for Dynamic Honeytrap Generation in Next-Generation Cyber Defense

IJSMT, Vol. 02, Issue 04, April 2026 | ISSN: 3108-1762 | DOI: 10.55041/ijsmv2i4.645

Cybersecurity in Web Automation: A Machine Learning Approach to Lightweight Intrusion Detection (Sole Author)

JoWET, STM Journals, Vol. 13, Issue 01, Jan 2026 | ISSN: 2455-1880 | DOI: 10.37591/JOWET.v13i01.235616

- Proposed Launch-Attack — a Scikit-learn ML framework for Puppeteer environments; ~92% accuracy, ~3% FPR, sub-second response on CIC-IDS2017.

The Evolution of Ransomware: In-Depth Analysis of Threat Development and Modern Defense Mechanisms

Co-author. *JoNS, STM Journals*, Vol. 13, Issue 03, Sept 2025 | ISSN: 2395-6739 | DOI: 10.37591/JoNS.v13i03.227906

HCI: A Systematic Review of Trends, Challenges, and Future Directions

Co-author. *JoMTRA, STM Journals*, Vol. 12, Issue 03, Sept 2025 | ISSN: 2349-9028 | DOI: 10.37591/JOMTRA.v12i03.227112

ACCEPTED / FORTHCOMING

A Governance-Oriented Cyber Recovery Framework for Ransomware Preparedness and Resilience

Co-author. Accepted (in production) — *EDPACS: The EDP Audit, Control, and Security Newsletter*, Taylor & Francis, 2026.

Risk Based Information Systems Auditing for Disaster Recovery and Business Continuity

Co-author. Published online — *EDPACS: The EDP Audit, Control, and Security Newsletter*, Taylor & Francis, 31 May 2026 | DOI: 10.1080/07366981.2026.2681907

Self-Supervised Attention Model for Breast Cancer Detection from Mammography

Co-author. Published — *Advances in Engineering Research, ICSCAI 2025 Proceedings*, Atlantis Press (part of Springer Nature), 28 May 2026, pp. 254–264 | ISSN: 2352-5401 | DOI: 10.2991/978-94-6239-674-6_22

AI Driven Network Slicing Optimization for 5G IoT Systems

Accepted — *ICICCS-2026 (Int. Conf. on Intelligent Computing & Communication Systems)*, Birmingham City University, UK; conference proceedings, July 2026.

UNDER REVIEW

An Integrated Zero Trust and AI-Driven Anomaly Detection Framework for Proactive Ransomware Defense in the Post-Quantum Era

Under review — *International Journal of Cyberspace Security (IJCS)*, 2026.

Adversarial Co-Evolution in Cyber Defence: A Systematic Review of GAN-Based Honeytraps and Adversarially Robust Intrusion Detection

Under review — *International Journal of Cyberspace Security (IJCS)*, 2026.

KEY PROJECTS

Sikshasarovar – EdTech Web Platform (sikshasarovar.com)

2025 – Present

- Built and launched a full-stack EdTech platform; React.js, TypeScript, Node.js, Express.js, MongoDB, REST APIs, Tailwind CSS.
- Owned full SDLC: architecture, development, deployment, custom-domain hosting, and ongoing maintenance.

IITM Institutional & Journal Websites | IITM Janakpuri (GGSIPU) | GitHub

2026 – Present

- Designed the complete UI/UX and developed the IITM institutional website in PHP as an internal organizational project, hosted at IITM Janakpuri.
- Completely enhanced the UI/UX of the IITM journal website in line with modern UI/UX best practices.
- Added and updated new content and data across both the institutional and journal websites.
- Developed and maintained the platform under the official IITM Janakpuri organizational GitHub account on a shared repository; served as lead contributor (59+ commits), driving development, version control, and feature integration.

YourPhysioFriend – Physiotherapy Clinic Website (yourphysiofriend.com)

June 2026

- Designed and built a responsive website for a physiotherapy practice; Next.js, TypeScript, and CSS, deployed on Vercel.
- Delivered the full project for a client (doctor): component-based UI, custom domain hosting, and continuous deployment from GitHub.

Rohit – Real-Time AI Admissions Voice Agent

May 2026

- Built a real-time conversational voice agent for admissions; streaming STT → LLM → TTS pipeline on Pipecat using Deepgram (speech-to-text), Groq Llama 3.3 70B (LLM), and Cartesia (text-to-speech).
- Delivered ~1s voice-to-voice latency across three channels – laptop mic, browser (WebRTC), and live phone calls via Twilio (Python).

IITM Automated Call System – AI Outbound Voice Calling

May 2026

- Outbound AI calling system for BCA/CET admissions follow-up; a CLI launches campaigns from a contacts list while an AI agent (Claude) converses with students, answers queries, gauges interest, and logs outcomes.
- Built with TypeScript, Python, Twilio telephony, and SQLite; deployed as a Progressive Web App (iitm-call-pwa.vercel.app).

ResumeIQ – AI-Powered Resume Analyzer

Mar 2026

- AI-driven resume analysis and enhancement web app built with React, TypeScript, and the Google Gemini API.

Launch-Attack – ML-Based Intrusion Detection Framework

2025

- Lightweight ML threat-detection framework using Scikit-learn (Python) for web-automation security; published in JoWET (sole-authored).
- CIC-IDS2017 dataset: ~92% accuracy, ~3% false-positive rate, <1s response, ~200 MB footprint.

Personal Developer Portfolio (port-folio-sigma-teal.vercel.app)

2024 – Present

- Next.js + React + Tailwind CSS portfolio deployed on Vercel with continuous deployment from GitHub.

React + Express Login System | Q-Spiders

Oct 2024 – Dec 2024

- Secure auth web app: React.js, Express.js, Node.js, PostgreSQL, Tailwind CSS — registration, login with hashed passwords, profile CRUD.

Bank Management System (BMS) | Q-Spiders

Aug 2024 – Sept 2024

- Java + JDBC + MySQL: account creation, deposit/withdrawal, balance inquiries with reliable transactional data handling.

Grilli – Food Restaurant Website | MDU 2023

- Multi-page restaurant website using HTML5, CSS3, and JavaScript — menu, gallery, reservations.

Bestee – Android Voice Assistant | MDU Mar 2024 – Jun 2024

- Built in Android Studio (Java); voice-activated assistant with task reminders, search, and basic conversational handling.
- Uber Ride Calculator (Q-Spiders, Jul–Aug 2024) — Java fare-calculation utility covering distance, time, and surge logic.

ACADEMIC LEADERSHIP & SERVICE

- Session Chair – International Conference PTEMS-2026, GNIT, Greater Noida (10–11 April 2026; Publication Partner: Cureus, Springer Nature).
- Reviewer – ICSCAConf 2025, Jaipur (Jul–Nov 2025).
- Reviewer – International Conference ETESM 2025, Faridabad (Jan–Jul 2025).
- ERP & Discipline Head – DCA Department, EIT (Jan–Dec 2025); conducted FDPs, workshops, and seminars.
- Skill Development Coordinator & Trainer at Institute Level (2024–2025).
- Volunteer – Inter-University Youth Fest, North-West Zone (Feb 2024); contributed to event coordination and student engagement.
- Student Associate – Career Counselling & Placement Cell, MDU (Nov 2023 – May 2024); guided students on career pathways and placement readiness.
- Participant – Mahindra Pride Tech Workshop, MDU Campus (Sept 2023); communication-skills and professional-interaction training.

ACHIEVEMENTS

- UGC-NET Qualified 2026 in Computer Science & Applications.
- Published 5 peer-reviewed journal papers (with DOIs) within 18 months — including a sole-authored cybersecurity paper — with further papers accepted at Taylor & Francis and Springer / Atlantis Press and additional manuscripts under review.
- Co-Founded and launched Sikshasarovar (live EdTech platform) while serving as full-time Assistant Professor.
- Selected as Session Chair at an international conference (PTEMS-2026) within the first year as faculty.
- Achieved academic excellence in Bachelor's degree with a passion for continuous learning.
- Attained outstanding academic performance in MCA through steadfast dedication and adaptive time management; served as Placement Officer in the campus Placement Cell.

- Member of the Culture & Discipline Council at the Institute level.
- ERP Head & Floor Incharge of the Department, executing responsibilities with full dedication.
- Served as Departmental Trainer, contributing to the continuous growth of student skills.
- Skill Development Coordinator at Institute level; conducted FDPs, workshops, and seminars smoothly.

INTERESTS

Solo travel, music, nature photography, and photo/video editing.
